Disclaimer: This quiz was made for fun for the members of the Dull Men's Group on Facebook when someone pointed out an online version of the quiz 'IKEA or Death (metal)' had ceased to exist..so I did some research and voila!

Please, share this version freely. It was created purely for the humour and I'd love to think that it will get lots of use at work and family gatherings. I do not profit from this quiz at all.

If you are a teacher, I'm just gonna let you know that I also make teaching resources. You can find me on [teacherspayteachers.com](https://www.teacherspayteachers.com).
